Subject: Host City engagement letter for Free and Hanseatic City of Hamburg

I, Mr Andy Grote, Minister for the Interior and Sports of the Free and Hanseatic City of Hamburg, hereby confirm that the Free and Hanseatic City of Hamburg will fully support UEFA EURO 2024 to plan and hold the EURO 2024.

Hamburg will make a significant contribution to planning and holding a European football championship that is to be accessible to all classes of society. The city declares that UEFA EURO 2024 is a matter of general and extreme interest with international significance.

Hamburg has extensive experience in hosting numerous large national and international sports events, i.e. the FIFA World Cup 2006 and the UEFA Europa League Finale 2010, and has networks that can be used to ensure that the current standards and requirements for the UEFA Euro 2024 are fulfilled.

The senate of the Free and Hanseatic City of Hamburg decided on 20 June 2017 to grant myself and the State Secretary for Sport, Christoph Holstein, the right to submit all declarations and guarantees required for Hamburg's successful bid to host the UEFA EURO 2024. You will find the relevant documents in the annexes. Hamburg thus fulfils all the requirements for a successful bid to host the UEFA Euro 2024.

With regards to the individual guarantees, we have also included documented notes on the execution of the bid in a separate site letter.

I look forward to our continued collaboration. Please feel free to contact me if you have any questions or comments.
